

HOME ART CHALLENGE

Week of March 22, 2020

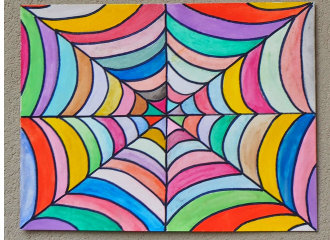

Kindergarten

Can you find objects in your house from all of the colors in the rainbow and arrange them in the right order? Red, Orange, Yellow, Green, Blue, Violet... go for it! Take a photo of the rainbow that you put together or draw a picture inspired by it.

1st Grade

Have you spied any creepy crawlies lately? Create your own amazing spider web! Make a spider to go with it. Do you remember in which direction *vertical*, *horizontal*, and *diagonal* lines go (from the Piet Mondrian lesson)? A spider web is made up of all 3 types of lines.

2nd Grade

Do you remember the *warm colors* and *cool colors*? Create a sun/moon abstract art. Include textures and patterns in your design. How many different patterns can you create? Have fun!
