HOME ART CHALLENGE

Week of March 29, 2020

Build Your Own Castle

If you had your own castle, what would it look like? What shapes would make up your castle –squares, rectangles, triangles, and/or semi-circles? Draw your own castle with pencil first. Draw details. Will it have secret passages and a treasure room? Will it have flags, plants, or a moat? Color in your castle using crayons, markers, or whatever materials you have at home. Lesson Focus: shapes; creating art from imagination

Castle & Sun by Klee, 1928

Red Bridge by Klee, 1928

Artist, Paul Klee, made a castle that was abstract. He used lots of shapes in his artwork. To see more of his paintings, check out this short video:
