

Community Service Project Ideas

Here at Winthrop High School, the Pullin Poynte Chapter of the National Honor Society strives for its members to complete quality community service, with the goal of better the community somehow. There needs to be a community the project helps (mission), and a vision and value for what you want to get done during your 30-hour community service project. You are responsible for reaching out and scheduling your community service with an adult supervisor. You are responsible for getting to your scheduled community service and be communicative with your supervisors about your role and responsibilities.
