

Winthrop Public Schools Mask Breaks

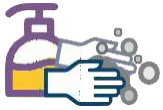

During mask breaks students are

- physically distanced from others
- outdoors if possible
- not singing or shouting
- seated at their desk while in the classroom

Procedure for snack or meals

- Student will remove their mask by the ear loops or straps
- Place outer side of the mask face down on a paper towel or place in a paper bag
- Student will remain seated while mask is off
- Upon finishing their food, student will replace their mask by the ear loops or straps
- After touching their mask, wash or sanitize hands
- Student may get up from their seat once everyone has finished to throw away trash

If a student in the classroom needs a mask break other than at the scheduled time, they may remove their mask for a few minutes or to take a drink of water while seated.

Wash or sanitize hands

while sitting at desk
remove mask from
your face by the ear
loops or straps

Place outer side of the
mask face down on a
paper towel or place in
a paper bag

Stay seated while
eating or during mask
break

Upon finishing pick up
mask by tear loops or
straps

Secure the mask
to your head. Make sure
it fits snugly, covers
the bridge of your nose,
and stretches under
your chin

After touching
your mask, wash
or sanitize your hands
